For those of you who are members to *HawkeyeDrive.com*, I have a special treat for you.

Every Wednesday night upon the conclusion of "Hawk Talk with Kirk Ferentz," I will have a weekly chat with Iowa play-by-play announcer Gary Dolphin to discuss the Hawkeyes' upcoming game.

In addition to previewing Iowa's game against Eastern Illinois on Sept. 4, Dolphin and I also talked about the news of the day with the Hawkeyes' division for 2011 and beyond being announced.

Below is audio from my talk with Dolphin. Again, this is something we will be doing on *HawkeyeDrive.com* every Wednesday evening throughout the 2010 football season. You can listen to Dolphin and former Hawkeye Ed Podolak call Iowa's game against Eastern Illinois on the Hawkeye Radio Network.
