Iowa head coach Kirk Ferentz is expected to sign an extension on Friday that will have him under contract through 2020.

Under the new terms, Ferentz will make an annual salary of \$3,675,000. He also will receive annual longevity compensation starting this year at \$325,000.

"I've said publicly and privately to Kirk that it would be my goal to have him retire at Iowa," Iowa athletics director Gary Barta said in a statement.

Ferentz begins his 12th season as the Hawkeyes' head coach on Saturday.
