Below is audio over the course of the past two days from players on both No. 17 Iowa and No. 22 Penn State, as the two teams are set to meet inside Kinnick Stadium on Oct. 2.

All the Penn State interviews came via player teleconferences set up by Penn State's sports information department. All Iowa interviews are in person following head coach Kirk Ferentz's press conference on Sept. 28, or in the case of some players, are in-person interviews from Wednesday.
