

2011 HawkeyeDrive.com Bracket Challenge

By Brendan Stiles

HawkeyeDrive.com

It's that time of year. March Madness has arrived. The field of 68 is set, and *HawkeyeDrive.com* wants to see who has the best bracket.

Take part in our *HawkeyeDrive.com* Bracket Challenge, set up via *espn.com*. It's a public group, so anyone can join. Prizes will be given out to anyone who correctly picks all four Final Four teams or correctly picks the national champion. A grand prize will be given to whoever has the highest score, unless of course, it happens to be me. Then it will just be prizes for anyone who correctly picks all four Final Four teams or the national champion.

To participate, [simply click on this link](#), create an entry, and include your entry in the group. Rules for participating are whatever ESPN's guidelines are since the group is set up through them.

Thanks to anyone who takes part.
