An announcement came Wednesday morning that two more Iowa football games, including the Hawkeyes' regular season finale at Nebraska, have been set for 11 a.m. Central.

Iowa's 11 a.m. contest against the Cornhuskers will be televised nationally on ABC Nov. 25, which is the Friday after Thanksgiving, from Memorial Stadium in Lincoln, Neb. The other game set for 11 a.m. Central is the Hawkeyes' Homecoming game against Indiana at Kinnick Stadium on Oct. 22.

These two games, in addition to Iowa's Oct. 15 contest against Northwestern, are the only three games thus far set with game times.
