IOWA CITY, Iowa – The Iowa Hawkeyes conducted its lone open practice of the season Saturday afternoon at Carver-Hawkeye Arena prior to the football game between Iowa and Northwestern.

Below are five videos from Saturday's practice, including a post-practice interview with head coach Fran McCaffery at the bottom. Of note, senior forward Andrew Brommer and freshman forward Aaron White were held out of practice after both sustained injuries Thursday. Brommer is sidelined with a sprained right knee, while White is out with a minor thumb injury.
