Every Thursday during the 2013 football season, *HawkeyeDrive.com* will feature "Talkin' Hawks," a podcast to get you ready for the Hawkeyes' upcoming game and other college football action.

This week, we look back on Iowa's 38-17 win over Nebraska last weekend and look ahead to this weekend's slate of championship games around college football, including the Big Ten Championship Game featuring No. 2 Ohio State and No. 10 Michigan State.

Unfortunately for the second straight week, my co-host, former Iowa defensive back [Chris Rowell](#), was unable to join me for this week's podcast due to a last-minute development. Prior to recording however, Rowell did email me his picks for the 10 games listed on this week's [HawkeyeDrive.com Pick 'Em](#), which I share while discussing my takes on those games during the back half of the podcast.

With the Hawkeyes not playing, there's only one segment this week. There will be one more edition of the "Talkin' Hawks" podcast, which will be posted later this month (sometime before Christmas and hopefully with Rowell re-joining me to co-host) following the announcement of Iowa's bowl destination. This week's edition is approximately 45 minutes long, so enjoy:
